

Autism Acceptance Month Youth Fun Run

Saturday, April 5, 2025
Heritage Park, Suisun City

Join us for a timed 3k and untimed half mile fun run thanks to funding from the US Conference of Mayors and in partnership with Special Care Services. This youth fun run for ages 3+ will coincide with the 2025 Regional Developmental Disability and Neurodiversity Conference held in Suisun City. This is meant to be an inclusive activity for all abilities, to encourage youth to be outdoors and to highlight April as Autism Acceptance Month.
