

2024 National Night Out Suisun City Police Department

Welcome to the 2024 National Night Out! August 6, 2024, 5-8 PM

National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, better places to live. It was introduced by the National Association of Town Watch in 1984 and has since grown to include millions of neighbors across thousands of communities from all fifty states, U.S. territories, Canadian cities, and military bases worldwide. The main goal of NNO is to enhance the relationship between neighbors and create a sense of community. NNO provides a great opportunity to bring police and neighbors together under positive circumstances.

The main event for Suisun City will be hosted at Heritage Park. We invite all community members to join us for a night of fun, food, and community connection.
