MEETING DATE: January 9, 2024

CITY AGENDA ITEM: Council Adoption of Resolution No. 2024 -__ : Adopting the 2nd Amendment to the Annual Appropriation Resolution No. 2023-88 to Appropriate Mid-Year Budget Adjustments for Additional Costs in Various Accounts Organization Wide.

FISCAL IMPACT: This is an informational report regarding the financial condition of the City’s General Fund and Other Funds, as such, has no actual fiscal impact. The proposed mid-year adjustments have increased the projected revenues by \$2,276,903 and increased projected expenditures by \$484,391 for General Fund. The corresponding Amendment to the Annual Appropriations Resolution (AAR) will appropriate and reallocate available FY 2023-24 fund balances and various other revenues and expenditure accounts based on current projections of the City’s financial status.

STRATEGIC PLAN: Provide Good Governance, Section 4.1 – Review and update required planning and financial documents as needed. Ensure Fiscal Solvency, Section 5.9 – Commit to a balanced budget and prepare for recession.

BACKGROUND: The City’s Financial Policies require a Mid-Year Budget Review each January - February to provide a trend analysis for General Fund revenues and expenses that compares projections made when the budget was adopted with actual figures from the first six months of the fiscal year. The update also includes recommended appropriations changes to address unforeseen budget developments, such as a new staffing needs, a project timeline that has shifted, or an urgent capital improvement need that was identified. The Mid-Year update also provides a snapshot of current fiscal year trends to serve as a foundation to prepare the subsequent fiscal year budget, in this case FY 2024-25.

The City entered Fiscal Year 2023-24 with significant challenges related to the appropriate public safety staffing, limited ongoing revenue expansion, and a backlog of infrastructure needs. By using limited duration American Rescue Plan Act funds, Measure S funds and utilizing some reimbursement funds from the Recognized Obligations Payment Schedule (ROPS), the City Council adopted a balanced FY 2023-24 budget.

STAFF REPORT: At Mid-Year, detailed revenue and expenditures are being refined but broad trends based upon actual expenditures over the first six months of the fiscal year can be identified.

Staff primarily analyzed three elements in assessing the General Fund’s performance:

1. The amount carried over from the prior fiscal year, also called the Beginning Balance
2. Projected revenues
3. Projected expenditures.

The program changes recommended in this report and implemented with the Amendment to the Annual Appropriations Resolution, including re-appropriation of previously committed funds, are not expected to significantly alter the Ending Balance forecast. After the proposed mid-year budget review adjustments, the General Fund will have an ending balance of \$1,792,512. If the Council considers the proposed personnel changes to be included in the amendment, then the ending balance will change

accordingly.

The overall revenue projections for the General Fund have improved. Revised revenues for the General Fund have increased by \$2,276,903 including transfer ins and beginning balance. Significant areas of increase are:

- Beginning Balance \$2,337,492
- Transfer In from ARPA \$218,335
- Franchise Fee \$100,000
- Building and Planning \$75,000

The expenditure projections for the General Fund have increased by \$160,868. Significant areas of increase are:

- Transfer to Stabilization Fund \$432,000
- City Manager Office \$167,497
- FLSA Audit \$60,000
- Professional Services (CM) \$30,000
- Temp Services (DS) \$30,000
- Janitorial Services \$20,000

Overall, the General Fund (F10) mid-year budget review has a revenue increase of 9% and an expenditure increase of 2% in comparison with the adopted budget. As a result, staff expects to deliver a balanced General Fund budget to end FY 2023-24 with a surplus of \$1,792,512. The City will need to continue to develop additional revenues in order to continue the level of services currently provided to city residents.

Even though the General Fund is expected to end the fiscal year 2024 with a surplus of, it does have a structural deficit. Structural deficit is when the ongoing expenditures exceed ongoing revenue. The proposed amended budget includes approximately \$8.8 million one-time revenue from different funding sources. The City needs to be mindful of its fiscal health because one-time revenue is temporary.

American Rescue Plan Act Fund (ARPA):

Overall, the ARPA fund does not have a lot of mid-year adjustments. The beginning balance has increased by \$194,847 and \$74,000 increased in expenditures. Staff is proposing to allocate \$225,000 to Software Services agreement account from previously approved project of Storm Drainage project, to obtain new Asset Management Software for the Public Works Department. Police department is requesting \$52,000 to obtain Camera System and \$22,000 is an increase to the previously approved project of Audio Video System upgrade in the Council Chambers.

Discussion:

Staff has recognized significant need of additional staffing in several departments. The following list is provided for the Council to discuss during the mid-year budget workshop but none of these personnel requests are included in the proposed amended budget.

Personnel Requests:

Reclassifications:

- Public Safety Dispatcher to Dispatch Supervisor (PD) \$16,827 increase
- Maintenance staff to Lead position (PW) \$10,629 increase

Reactivate:

- Two Police Officer positions (PD) \$411,466 increase

Restore:

- Administrative Assistant from PT to FT (PD) \$35,225 increase
- Two Community Services Officer positions (PD) \$214,157 increase

New addition:

- Senior Accountant (FIN) \$165,967 increase
- Financial/Budget Analyst (FIN) \$165,967 increase
- Computer Analyst (IT) \$173,921 increase
- Administrative Assistant II (CM) \$120,000 increase
- Human Resources Technician (HR) \$126,797 increase

The total cost to make all above listed personnel changes will be \$1,360,957, an increase on an annual basis. Considering the timing of this change, the whole cost of personnel changes will not be incurred in the current fiscal year.

AGENDA TRANSMITTAL

MEETING DATE: January 9, 2024

CITY AGENDA ITEM: Discussion and Direction for Issuance of a Request for Proposals (RFP) for City Attorney Services.

FISCAL IMPACT: There would be no direct impact to the General Fund from this action unless Council directs the use of a third party to manage a potential RFP or Recruitment process.

STRATEGIC PLAN: Provide Good Governance.

BACKGROUND: Aleshire & Wynder, LLP (A&W) has been the firm representing Suisun City as City Attorney since 2009. A&W was selected after a Request for Proposal (RFP) process.

The job of the City Attorney is to advise city officials in all legal matters. The City Attorney’s Office handles a multitude of types of issues because the management of a city is very complex. Some examples of matters handled by the City Attorney’s Office include:

1. Legal Advice: The city attorney advises the city's elected officials, administrative staff, and various departments on legal matters. This may include interpreting local, state, and federal laws, regulations, and ordinances to ensure the city's actions and policies are in compliance with the law.
2. Drafting and Reviewing Documents: The city attorney is responsible for drafting and reviewing legal documents, such as contracts, ordinances, resolutions, and other legal agreements entered into by the city.
3. Litigation: If the city becomes involved in legal disputes, the city attorney represents the city's interests in court. This may include defending the city against lawsuits or initiating legal actions on behalf of the city.
4. Code Enforcement: The city attorney may be involved in enforcing local codes and ordinances. This could involve prosecuting violations and working with other city officials, such as code enforcement officers, public nuisance abatement, and seeking appointment of a receiver.
5. Land Use and Zoning: City attorneys often play a role in land use and zoning matters. They may advise on zoning regulations, participate in planning and zoning meetings, help with California Environmental Quality Act (CEQA) compliance, and help draft zoning ordinances, including navigating the ever increasing laws that seek to remove roadblocks to the construction of housing.
6. Public Meetings: The city attorney may attend city council meetings and other public meetings to provide legal guidance and ensure compliance with open meeting laws.
7. Employment Law: City attorneys may handle employment-related legal matters, such as advising on labor laws, labor negotiations, employee contracts, and handling employment disputes.
8. Public Records and Open Government: They may be responsible for ensuring compliance with public records laws and open government requirements, including providing access to public records and responding to public records requests, including managing redactions, as necessary.
9. Ethics and Conflict of Interest: City attorneys often advise on ethical matters and potential conflicts of interest for city officials and employees.
10. Legislation: In some cases, city attorneys may assist in the drafting and review of proposed

legislation or ballot measures and work with elected officials on policy matters.

11. **Criminal Procedure Law:** City attorneys must respond to Pitchess motions. A Pitchess motion is a legal motion used in criminal cases in California to discover and obtain certain confidential personnel records of law enforcement officers involved in a case. The response to a Pitchess motion by the city attorney involves managing the disclosure or non-disclosure of relevant personnel records.

The City Attorney's Office is a necessary part of providing good governance for the city. The hiring of the City Attorney, or a City Attorney firm, is completely within the purview of the City Council.

STAFF REPORT: In response to the directive issued on August 5, 2023, staff has undertaken an evaluation of potential approaches to providing City Attorney services. The objective was to identify viable models that align with our city's specific needs and priorities. This report outlines the findings of our research and presents the available options for your consideration.

Research and Survey Results

To develop a well-informed recommendation, staff engaged in a survey that included communication with other municipalities to understand their prevailing models for City Attorney services. This survey is included as Attachment 2. Additionally, we referenced the 2018 Solano County Grand Jury Report, which provided valuable insights into this matter (attached as "Attachment 1").

Options for City Attorney Services

The research identified three primary models for providing City Attorney services, each with its own merits and considerations:

1. **Contracted (Outsourced) City Attorney Firm:** This model involves partnering with an external law firm to deliver legal expertise. The firm designates a "City Attorney" and other "Deputy City Attorneys" with specialized areas of focus. Contracts are usually structured with a retainer for a specified number of hours at varying hourly rates.
2. **Full In-House City Attorney's Office:** Under this model, the city employs its own legal team, including a City Attorney and supporting staff. This approach ensures direct accessibility and institutional knowledge.
3. **Combination (Hybrid) Model:** The hybrid model integrates elements of both the in-house and outsourced models. It typically involves maintaining an in-house legal team while contracting specialized legal services for specific areas of law requiring expertise.

Factors Impacting Implementation

The decision to adopt a specific model hinges on factors unique to our city's context, including the complexity and frequency of legal matters. The size of the City Attorney's staff correlates with the scope of in-house legal services desired. Examples from comparable municipalities underscore the variability in staffing requirements:

1. Brentwood: Population 64,513; 6 FTE in City Attorney's Office.
2. Burlingame: Population 30,106; 3.5 FTE plus contract for specialty services.
3. San Luis Obispo: Population 47,545; 8 FTE in City Attorney's Office.
4. San Pablo: Population 36,000; 2 FTE in City Attorney's Office.

Cost Considerations

Estimating the cost of establishing an in-house City Attorney's Office is complex. The approximate

annual cost for an in-house City Attorney in Suisun City would likely range from \$350,000 to \$400,000, including benefits. Supporting staff such as a legal secretary or paralegal would require an additional \$100,000 to \$125,000. However, even with an in-house team, contracting for specialized services and litigation is often necessary.

Facility and Resource Requirements

Should the Council opt for in-house services, accommodating office space and resources would be imperative. Current space limitations at City Hall will likely necessitate the relocation of other departments to accommodate the City Attorney's Office.

Pros and Cons

An analysis of the pros and cons of both in-house and outsourced City Attorney services highlights distinct advantages and drawbacks for each approach.

Outsourced Attorney:

Pros:

- Offers third party perspective and impartiality
- Has access to expertise and knowledge of other municipalities, histories and responses
- Skilled in or has access to specialty areas such as water rights, land use, regulatory issues, and California Environmental Quality Act
- Can be cost effective as only services rendered are chargeable
- Clinical approach to risk management
- Is skilled at providing immediate cost effective answers
- As a consultant there are no employee benefits and terminating a contract usually involves no monetary penalties
- No additional overhead costs for office space or supplies
- Likely to be less expensive than In-House City Attorney

Cons:

- Every interaction is billable
- Higher variable costs, so the greater use of the attorney equates to higher monthly bills
- Attorney may or may not be local
- Cannot just walk over to talk to attorney
- Attorney may represent one or more other cities and may not be immediately available
- Less control over the assigned attorney

In-House Attorney:

Pros:

- Provides institutional knowledge, accessibility and continuity
- Has an intimate and expanding knowledge of the city, its employees and citizens/public
- Is readily accessible with no thought of an hourly fee
- Contributes leadership skills
- Can help the organization develop and manage future risk
- Has a unique opportunity to build community trust
- As a municipal employee has a set hour work day schedule which provides the budget with a fixed cost associated with salary and benefits

Cons:

- Much more difficult and costly to change attorneys
- High fixed costs restricts ability of city to cut costs by reducing use of attorneys
- City likely to need more staff than just one attorney
- In-house attorney will likely need a law library of some sort

- Currently no space at City Hall for a City Attorney’s Office and staff without displacing another department
- In an increasingly complicated legal environment, a generalist has limits in specialty areas of the law, so City will still likely need to contract for specialized legal services and litigation at an unknown cost
- Potential lack of attorney services when employee is sick or on vacation, depending upon the number of attorneys or ability to use contract law firm
- Likely to be more expensive than outsourcing

Next Steps

Given the complexity of the matter and the unique circumstances of our city, the decision regarding the preferred model for City Attorney services necessitates careful deliberation. Staff seeks guidance from the City Council on the following aspects:

1. **Further Direction:** Which model does Council wish to pursue?
2. **Ad Hoc Committee:** Does the Council want to create an ad hoc or continue to give direction as a body?

STAFF RECOMMENDATION: It is recommended that the City Council discuss this topic and provide direction to staff.

SOLANO COUNTY GRAND JURY
2017-2018

FUNCTIONAL ANALYSIS
CITY ATTORNEY POSITION

Functional Analysis City Attorney Position

Solano County Grand Jury 2017-2018

I. SUMMARY

The 2017-2018 Solano County Grand Jury (SCGJ) conducted an informational investigation to examine the functions, duties and responsibilities of the city attorney's offices within the seven cities of Solano County. The scope focused on identifying the cities contracting (outsource) the service versus engaging an in-house attorney (city employee) and analyzing the cost effectiveness/benefit of both scenarios.

In the complicated and complex environment of local California governance, cities need proficient legal advisors. Whether contract or in-house, city attorneys are a necessary fixture. The Grand Jury's overview comparing an outsource model vs. an in-house city attorney found the cities have different approaches with significantly different financial impacts.

In Solano County, how a city chooses to organize its legal department, given the need for accessing highly specialized legal knowledge, varies. The decision often takes into account a community's size, financial position, history and the complexity of the issues it faces on a daily basis. Cost is a constant concern and cities must make the best cost effective decision for the city, not necessarily the cheapest. This analysis should be an ongoing process with periodic reviews undertaken to determine if an in-house, outsourced, or a combination (hybrid) system will be best suited for the city. The Grand Jury's research determined there is no real standard or one-size-fits all approach. All configurations have merits and drawbacks. Municipalities must decide on the options best suited for them.

Based on information gathered by the Grand Jury, it became apparent the cost for defending lawsuits varied depending upon the nature of the action filed against the city. Defense of these lawsuits may result in a major expense. Officials must feel confident the guidance/solution from their city attorney will be practical, resourceful and accomplish the city's goals and objectives. Internal oversight should determine the reason(s) why legal issues occur and conclude what action could have been taken to prevent them. Implementation of appropriate preventative controls and oversight can avoid costly legal actions going forward.

II. INTRODUCTION

The city attorney plays an important role in California and can be either appointed or elected. Government Code section 36505 allows city councils to appoint city attorneys. In most general law cities¹ the city council appoints the city attorney. Charter cities² can enact a provision in the

¹ A general law city is a municipality that is limited to governmental structures and powers specifically granted by state law.

charter requiring the appointment or election of the city attorney. There are only a few California cities that have an elected city attorney, none in Solano County.

The city attorney's office serves as the legal advisor and legal representative to the city council, city officials, departments and commissions in conducting city business. The office provides a wide assortment of services to the city, such as representing the city in litigation, preparing ordinances and resolutions, and reviewing and preparing contracts.

There are a number of approaches for providing legal services. They include contracting (outsource) the service, engaging an in-house attorney (city employee) or a hybrid where a single fulltime city attorney is hired to provide general legal services, oversee legal functions and outsource specialized expertise on an as needed basis.

III. METHODOLOGY

Techniques used in deriving facts included:

- Interviewed city representative(s) from:
 - Dixon, Fairfield, and Vallejo
- Reviewed *transparentcalifornia.com* for compensation figures (salary and benefits) for in-house City Attorneys for 2012-2016
- Reviewed city attorney's position descriptions and duties
- Reviewed Government Code:
 - sections 41801 - 41805
 - sections 34100 - 34102
 - §36505
- Examined all seven Solano County city websites for information regarding the City Attorney
- Examined listings of legal actions filed by or against the cities during Fiscal Year Ending (FYE) 2016-2017
- Examined all General Ledger income and expense detail reports for FYE 2016 and 2017 for all Solano County cities
- Analyzed grand total of expenditures for all legal related expenses across all funds, departments, and accounts from the seven cities

² In the United States, a charter city is a city in which the governing system is defined by the city's own charter document rather than by general law.

IV. STATEMENT OF FACTS

A. *City Attorneys in Solano County*

The City Attorney provides a vital function to all municipal departments. The function of a City Attorney's Office is to provide meaningful, ethical advice, effective legal representation, and other legal services in order to attain the City's goals without undue risk.

The role a city attorney plays in a city organization is impacted by whether the city attorney is a full-time employee with or without in-house staff, or a contract attorney from a law firm. In either case, city attorneys do not provide legal services to individual residents.

When it comes to city attorneys, the seven Solano County cities have different approaches for their legal departments/services with significantly different financial impacts. Cost is a constant concern when it comes to a city attorney's office. Benicia, Vacaville, and Vallejo have in-house legal departments where the City Attorney and staff are city employees. Generally, cities with larger populations or charters have a city attorney as a full-time employee, although small cities may also choose this relationship.

In these in-house arrangements, the city attorney may also have a deputy city attorney and in addition to paying employee salaries, the city provides benefits, an office, membership to professional associations, continuing legal education, supplies, staff and secretarial assistance. The size and makeup of these offices vary; the 2017 Full Time Equivalent (FTE) department staffing was 2.75 in Benicia, 4.0 in Vacaville, and 11.0 in Vallejo.

Cities that have in-house legal services have a fixed cost (a large portion of the cost is comprised of salary and benefits), while cities that opt for outside counsel have a variable cost. Fixed costs are due regardless of usage while variable costs are paid only when used. It is incumbent upon the cities to look at the demand for services to find the most suitable option.

The following table reflects a five-year comparison of in-house salary and benefits for the City Attorney position.

The cities of Dixon, Fairfield, Rio Vista, and Suisun City contract (outsource) with a law firm for their legal services. An attorney from within the contracted firm is usually appointed by the city council to act in the role of City Attorney.

An outsourced city attorney/firm is an independent contractor, which means that the attorney/firm and the city enter into a professional services agreement. This agreement generally provides that the city attorney will provide services, as defined in the agreement, for a retainer. If a yearly retainer is not used, then the services are provided on an hourly fee basis.

A retainer generally provides for basic services such as attendance at city council and/or applicable meetings, phone call and email responses to city staff and elected officials' questions, drafting resolutions, ordinances and city contracts. A retainer can provide for a maximum number of service hours or unlimited service hours. If a maximum number of hours is provided for, then the city attorney is paid on a per hour basis once the maximum hours are reached each month.

The following table depicts the information provided to the Grand Jury in response to a Request for Information for the city's current contract/service agreement containing retainer and billing rate schedule.

B. The City Attorney Comparison Tables and Charts

Municipal Law is the area of law specific to the function of a city or county and their governmental bodies. Illustrated in the following condensed table are some of the duties and responsibilities of a city attorney. This is not an all-inclusive list. It is used only to demonstrate the complexities facing city attorney offices and gathered by perusing city websites and responses to informational requests; an empty box does not necessarily mean the function is not performed, rather than it was not listed.

The following per capita bar chart is a depiction of the data listed in Table 5 showing annual city fluctuations

Chart 2 – Per Capita Cost Comparison

³ Per capita is a Latin term that translates into "by head," basically meaning "average per person." Per capita can take the place of saying "per person" in any number of statistical observances. Per capita data is often used to make economic data comparable across entities of different sizes. Where absolute data is not comparable, per capita data can be used, as it is independent of city size.

REQUEST FOR PROPOSALS (RFP)

City Attorney Services for the City of Arcata

Date Released: March 27, 2023

PROPOSALS SUBMITTAL DEADLINE:

April 27, 2023 at 4:00 p.m.

**The City of Arcata
736 F Street
Arcata, CA 95521**

General Information

The City Council of the City of Arcata (“City”) is seeking proposals from interested and qualified contract attorneys and legal firms to provide legal services and serve as primary attorney for the City. The City Attorney is appointed by and serves at the pleasure of the City Council, and works closely with the Council, City Manager, and, at the City Manager's direction, other City staff. The City Attorney is not a City employee and is not entitled to the benefits of a City employee; the position is strictly on a contractual basis. The City reserves the right to retain or employ other attorneys or special counsel as may be needed, in its sole judgement, to take charge of any litigation or legal matters to assist the City.

The City invites interested law firms and individuals with a minimum of five (5) years of municipal law experience representing general law cities to submit a written proposal to provide City Attorney services. The City seeks a City Attorney who will provide clear, understandable, and independent legal advice. The firm/individual must be qualified to provide expertise in the area of general municipal law, including for example planning, zoning, environmental review, construction, municipal finance, the Public Records Act, Brown Act, ethics, conflict of interest laws, litigation, municipal employment law, and labor relations statutes.

Through this Request for Proposals (RFP), the City intends to enter into a professional services agreement for an initial one-year agreement, with the option for the City to renew the agreement for four successive one-year terms. The City expects the contracted services to average 40-60 hours per month.

Background

Arcata rests on the ancestral lands of the Wiyot peoples. The City became incorporated as the “Town of Union,” was shortly after renamed “Arcata” in 1860, and reincorporated as a General Law city in 1903. By 2023, the City of Arcata has grown to an estimated population of approximately 19,800 residents. Arcata developed the unique modern character we enjoy today by integrating its diversified and abundant natural, human and economic resources within the region. The region boasts the highest non-profit organizations per capita statewide. The City is committed to eliminating racial disparities in partnership with Cal Poly Humboldt University and the business community.

Arcata is a general law city which operates under the Council-Manager form of government, with five councilmembers. Councilmembers are elected to four-year overlapping terms on an at-large basis; the Mayor typically rotates annually so each councilmember has an opportunity to serve as Mayor. The City Council is the legislative body responsible for overall policy development and direction of the City. In addition, the City has a variety of resident committees, boards, and commissions that provide input and help conduct City business.

The City provides an extensive array of services including a police department, a small public transit operation, recreation programs, facility rentals, planning services, building permits, housing programs, economic development, water distribution, wastewater collection and treatment, maintenance of stormwater systems and public rights-of-way, a municipal community forest that includes timber harvest operations, many parks and an extensive trail system as well as all of the traditional internal management support functions. Several of these operations function as enterprises within the City organization. The City has a current annual operating and capital budget of approximately \$30 million, and a regular staff of approximately 130 full-time equivalent employees.

The City belongs to a risk management pool (CIRA: California Intergovernmental Risk Authority), which provides legal assistance with workers compensation, general liability and property claims. Normally, the City Attorney is not expected to represent the City in matters covered by the joint risk pool.

I. INTRODUCTION

The City of St. Helena, California is located in the center of the world-famous wine growing Napa Valley, 65 miles north of San Francisco.

The area was settled in 1834 as part of General Vallejo's land grant. The City of St. Helena was incorporated as a City on March 24, 1876 and reincorporated on May 14, 1889.

The City is located in the center of Napa Valley in Northern California and considered to be one of the premier wine-producing regions of the world. The area is renowned for its abundance of vineyards and wineries of national reputation. The City of St. Helena includes several lodging establishments, fine restaurants, an historic downtown business district and is an attractive and enjoyable small community environment nestled among the hills of Napa Valley, in the heart of Wine Country. St. Helena is home to approximately 6,000 individuals; however, on any given day, that population can increase by as much as 20 percent due to an influx of tourists from around the world and commuters who drive to St. Helena to work.

The City operates under a council-manager form of government. The City has a five-member City Council consisting of a Mayor elected to serve a two-year term, and four Council members elected at large to four-year staggered terms, with two members elected every two years.

The City Council appoints the City Attorney and contracts with that individual's firm for legal services. The City's legal services budget has been trending downward over the last four years. The current general fund budget for legal services is \$245,000 which does not include the water and wastewater funds, the affordable housing fund, litigation, and special services costs.

The City Council appoints the City Manager, who serves as the executive officer and is responsible for carrying out the policies of the Council and the day-to-day operations of The City. The City Manager's executive staff includes a Finance Director, Recreation Director, Public Works Director, Police Chief, Fire Chief, Planning and Community Improvement Director, City Clerk, and the Human Resources/IT Director. Mark Prestwich has served as the City Manager since August 2017 and has over 20 years local government experience with five years as a City Manager.

St. Helena provides a full range of municipal services including fire and police protection; public works, including construction and maintenance of City streets, storm drains, operation of water and wastewater utility services, and similar infrastructure type assets; park maintenance and community recreation activities; building inspections; licenses and permits; and public library services and facilities. In terms of business-type activities, the City provides water and wastewater services through the operation of its utility enterprises.

The City's fiscal year is July 1 through June 30. The City's fund structure currently includes: General Fund, Special Revenue Funds, Capital Funds, and Proprietary (Enterprise) Funds.

The City's General Fund budget for FY 2019-20 is \$15 million. The City's Water and Wastewater Enterprise budgets for FY 2019-20 are \$6.5 million and \$3.1 million, respectively. In addition to its General Fund and Water and Wastewater Enterprise Funds, the City also has an active Five-Year Capital Improvement Program (CIP).

The City of St. Helena recently completed its General Plan update and will be commencing a process for updating and amending its zoning code. The City has a number of significant infrastructure projects in the planning stages or underway including: Completion of Wastewater Treatment Plant Upgrade and Modernization, Downtown Streetscape Development and Implementation Plan, City Hall Replacement, Library Improvements, Recreation Center, Bell Canyon Intake Tower Replacement, Bell Canyon Spillway repairs, and the York Creek Dam Removal and Habitat Restoration Project. The City revised water and wastewater rates in late 2017.

The City is a participant in the Redwood Empire Municipal Insurance Fund (REMIF), a self-insured joint powers authority established in 1976 to handle the insurance claims, benefit programs, and risk management needs of fifteen member cities. The cities are located in the five Northwest counties.

Please refer to the City's website for more detailed information about the City St. Helena at <http://www.cityofsthenana.org/>

Background.

The City of Benicia, a San Francisco Bay waterfront community of 28,000, is known for its small town charm and quality of life and is home to numerous award-winning restaurants, schools and parks. Benicia is nestled on the east bay shoreline in southwest Solano County. The City encompasses 13 square miles and is located 35 miles northeast of San Francisco, and 57 miles southwest of Sacramento.

Benicia has a rich history in California. Founded in 1847 and the third California city to incorporate, Benicia served as the third State Capitol in 1853 and 1854. The City has more than 40 fully restored historic sites, which include the Benicia Capitol State Historic Park, Benicia Arsenal, and the original site of Mills College.

Recreation is a big part of the Benicia lifestyle. The area features miles of public shoreline, a marina and boat launches for fishing and sailing and the Benicia State Recreation Area. The City has a beautiful 50-acre multi-use community park and oversees an additional 156 acres of city parks. Benicia is the home to many internationally known artists and acclaimed glass and art studios; events and activities are held in Benicia throughout the year, which are enjoyed by residents and visitors, individuals and families. Benicia also has Northern California’s largest port-oriented industrial park, an expanding business park, and serves as a primary Bay Area center for auto imports.

The City of Benicia is a community with a high level of pride and concern for preserving the quality of life. Residents enjoy low crime, good schools, relatively affordable housing, and a wide range of cultural and recreational opportunities.

Benicia is a full service General Law City and operates under the Council-Manager form of municipal government. The Mayor is directly elected, as are the four Council Members, City Clerk, and City Treasurer, to four-year terms. The City Council appoints the City Manager and City Attorney. The City operates on a two-year budget cycle with a General Fund of approximately \$40 million and an all funds budget of almost \$70 million. Approximately 220 fulltime employees serve in the city departments of Administration, Police, Fire, Finance, Public Works, Community Development, Library and Cultural Services, and Parks & Community Services. The Public Works Department includes the water treatment facility as well as a wastewater treatment facility. The Parks and Community Services Department also operates the City Cemetery.

The City’s Mission is to provide excellent service. The Vision is to work together to build a sustainable community and enhance the City’s overall quality of life. The City’s Values and

Guiding Principles are: integrity, inclusiveness and collaboration, respect, responsiveness, and teamwork.

Proposed Budget.

Billing proposals should consider the Scope of Work and hourly involvement by each law firm member. Describe how your firm will aid the City in remaining within the adopted legal services budget. Specify how long the prices quoted will be binding.

The system of proposed compensation shall be in one of three formats.

1. The law firm proposes an hourly rate(s) for all work, including meeting attendance;
2. The law firm proposes a billing system where some services (“basic services”) such as attendance at City Council and Planning Commission meetings (or other work) are billed at a fixed cost such as a per meeting fee and other services (“special services”) are billed at the proposed hourly rate(s); or
3. The law firm proposes all work is billed at a fixed monthly cost.

For the purposes of this RFP, please refer to the definitions below and Appendices G and H for what work the City would consider basic services or special services. This list is not exhaustive, and the City is open to moving items between the defined categories.

Basic services. Basic services, for the purposes of this proposal, shall include those legal services generally understood within the field of municipal law to fall within the category of “general counsel” work, and shall include, but not necessarily be limited to, the following:

- a) Attendance at all meetings of the City Council (including regular sessions, closed sessions, and as needed work sessions). Regular sessions of the City Council are normally held on the first, third and occasionally fourth Tuesdays of each month commencing at 7:00 p.m. for the regular meeting with closed session typically held in advance of the meeting;
- b) Attendance at the monthly Planning Commission and various Council-appointed Board or Commission meetings on an as needed basis and/or as directed by the City Council or City Manager;
- c) Review and/or preparation of ordinances, resolutions, orders, agreements, contracts, forms, notices, declarations, certificates, deeds, leases, and other documents required by the City;
- d) Consultation with the City Council Members, City Manager, and City Department Heads and Staff as needed – rendering of legal advice and opinions concerning legal matters that affect the City, including new legislation and court decisions. Perform research and interpret laws, court decisions and other legal authorities in order to prepare legal opinions and to advise the City Council and City Department Heads on legal matters pertaining to City operations;

e) Legal work pertaining to property acquisition, property disposal, public improvements, public rights of way and easements, and matters relating to public utilities;

f) Coordinate the work of outside counsel as needed and as directed by the City Council or the City Manager;

g) Regularly scheduled office hours a minimum of two days per week at City Hall at times and on weekdays to be mutually agreed upon, to allow for direct interaction with the City Manager and Department Heads;

Special Services. Special services are those provided on an as-needed basis when directed by the City Council or City Manager. These special services, anticipated to be provided at a specified hourly rate, include research, preparation, and follow through on various types of specifically requested special services matters. If the firm proposes to provide litigation services to the City, provide the hourly rates and other terms that would apply.

All inclusive fixed monthly costs. Under this structure nearly all of the City's legal needs would be provided under a fixed cost. Specify what work, if any, would be excluded from the fixed cost.

Reimbursable expenses. Specific expenses for which firm will claim reimbursement from City including type and unit rate (i.e. rate for mileage, reproduction of documents, travel expenses, conference registration, if any, etc.)

Contract terms impacting budget. Specify any proposed term and/or condition that will impact the budget including length of contract, insurance requirements or other items.

References, Related Experience and Examples of Work.

Provide at least five (5) recent municipal client references with contact information. Specify the client, location, consultant firm members and participating individuals and their roles on team (principal, project director, etc.), type of work, and other relevant information to allow detailed reference checks.

Provide written samples of an ordinance, resolution, staff report, and litigation memo to Council. Please provide information on a particularly unique or controversial issue that the firm addressed and how the issue was resolved.

CONDITIONS OF REQUEST

General Conditions.

The City reserves the right to cancel or reject all or a portion or portions of the Request for Proposal without notice. Further, the City makes no representations that any agreement will be awarded to any organization submitting a proposal. The City reserves the right to reject any and all proposals submitted in response to this request or any addenda thereto.

The City also reserves the right to reject any sub-consultant or individual working on a consultant team and to replace the sub-consultant or individual with a mutually acceptable replacement.

Any changes to the proposal requirements will be made by written addendum.

Liability of Costs and Responsibility.

The City shall not be liable for any costs incurred in response to this Request for Proposal. All costs shall be borne by the person or organization responding to the request. The person or organization responding to the request shall hold the City harmless from any and all liability, claim or expense whatsoever incurred by or on behalf of that person or organization. All submitted material becomes the property of the City of Benicia.

The law firm will be required to assume responsibility for all services offered in the proposal whether or not they possess them within their organization. The law firm and the person identified as the City Attorney will be the sole point of contact with regard to contractual matters, including payment of any and all charges resulting from the contract.

Public Nature of Proposal Material.

Responses to this Request for Proposal become the exclusive property of the City. At such times as a formal recommendation to award an agreement to one of the proposers is made to the City Council, all submittals received in response to this Request for Proposal become a matter of public record and shall be regarded as public records, with the exception of those elements in each submittal which are defined by the proposer as business or trade secrets and plainly marked as "Confidential," "Trade Secret," or "Proprietary" or if disclosure is required under the California Public Records Act. Any submittal which contains language purporting to render all or significant portions of the proposal "Confidential," "Trade Secret," or "Proprietary," shall be regarded as non-responsive.

Although the California Public Records Act recognizes that certain confidential trade secret information may be protected from disclosure, the City may not be in a position to establish that the information that a proposer submits is a trade secret. If a request is made for information marked "Confidential," "Trade Secret," or "Proprietary," the City will provide the proposer who submitted the information with reasonable notice to allow the proposer to seek protection from disclosure by a court of competent jurisdiction.

Validity.

The proposer agrees to be bound by its proposal for a period of ninety (90) days commencing from the date proposals are due, during which time the City may request clarification or correction of the proposal for the purpose of evaluation. Amendments or clarifications shall not affect the remainder of the proposal, but only the portion so amended or clarified.

Standard Agreement.

A sample agreement has been provided as Appendix B for the proposer's review and comment. If a proposer wishes to take exception to any of the terms and conditions contained in the consultant agreement, these should be identified specifically; otherwise, it will be assumed that the proposer is willing to enter into the agreement as it is written. Failure to identify contractual issues of dispute can later be the basis for the City disqualifying a proposer. Any exceptions to terms, conditions, or other requirements must be clearly stated. Otherwise, the City will consider that all items offered are in strict compliance with the RFP, and the successful proposer will be responsible for compliance. The City will consider such exceptions as part of the evaluation process, which may constitute grounds for rejection of the proposal. The agreement will not be executed by the City without first being signed by the proposer.

Permits and Licenses.

Proposer, and all of proposer's sub-consultants, at its and/or their sole expense, shall obtain and maintain during the term of any agreement, all appropriate permits, certificates and licenses including, but not limited to, a City Business License, which will be required in connection with the performance of services hereunder.

Oral and Written Explanations.

The City will not be bound by oral explanations or instructions given at any time during the review process or after the award. Oral explanations given during the review process and after award become binding only when confirmed in writing by an authorized City official. Written responses to question(s) asked by one proposer will be provided to all proposers who received this Request for Proposal.

Worker's Compensation insurance to cover its employees as required by the Labor Code of the State of California. Law Firm's worker's compensation insurance shall include the following language: "All rights of subrogation are hereby waived against the City, its officers and employees when acting within the scope of their appointment or employment." Errors and Omissions insurance. Coverage: at least \$2,000,000 each occurrence, at least \$2,000,000 policy aggregate.

(1) The limits of insurance required in the contract may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of the City (if agreed to in a written contract) before the City's own insurance or self-insurance shall be called upon to protect it as a named insured.

(2) It shall be a requirement under this contract that any available insurance proceeds broader than or in excess of the specified minimum insurance coverage requirements and/or limits shall be available to the Additional Insured. Furthermore, the requirements for coverage and limits shall be (1) the broader coverage and maximum limits specified in this contract; or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the named insured; whichever is greater.

(3) The insurer waives all rights of subrogation against the City, its elected or appointed officials, officers, employees or agents.

(b) Endorsements. Each general liability and automobile liability insurance policy shall be with insurers possessing a Best's rating of no less than A:VII and shall be endorsed with the following specific language:

(1) The City of Benicia, its elected or appointed officers, employees, agents and volunteers are to be covered as additional insureds with respect to liability arising out of work performed by or on behalf of the Law Firm, including materials, parts or equipment furnished in connection with such work or operations.

(2) This policy shall be considered primary insurance as respects the City, its elected or appointed officers, officials, employees, agents and volunteers. Any insurance maintained by the City, including any self-insured retention the City may have, shall be considered excess insurance only and shall not contribute with it. The Additional Insured coverage shall be at least as broad as CG 20 01 04 13.

(3) This insurance shall act for each insured and additional insured as though a separate policy had been written for each, except with respect to the limits of liability of the insuring company.

(c) In the event Law Firm desires to hire or employ any other company or person to perform any part of the services contemplated herein, the written approval therefore must be first obtained from the City. The City may withhold such approval for any reason. If approval is given by the City, Law Firm shall secure and provide City evidence securing said Worker's Compensation insurance covering said approved employee(s) in statutory amounts and providing 30 days' advance notice to City in the event said policy is canceled.

(1) Should the City approve the hiring or employment of another company or person as a Subcontractor, Law Firm agrees to include with all subcontractors in the subcontract the same requirements and provisions of this contract including the indemnity and insurance requirements to the extent they apply to the scope of the subcontractor's work. Subcontractors hired by the Law Firm agree to be bound to Law Firm and the City in the same manner and to the same extent as Law Firm is bound to the City under the Contract Documents. Subcontractor further agrees to include these same provisions with any subcontractor. A copy of the City's Contract Document indemnity and insurance provisions will be furnished to the Subcontractor upon request. The Law Firm shall require all subcontractors to provide a valid certificate of insurance and the required endorsements included in the agreement prior to the commencement of any work and will provide proof of compliance to the City.

(2) Any approved Subcontractor agrees to be bound to the Law Firm and City in the same manner and the same extent as Law Firm is bound to the City under the Contract Documents. Subcontractor further agrees to include the same requirements and provisions of this Contract, including the indemnity and insurance requirements, with any City approved subcontractor to the extent they apply to the scope of subcontractor's work.

(d) Deductibles and Self-Insured Retentions. All self-insured retentions (SIR) must be disclosed to the City's Risk Management for approval and shall not reduce the limits of liability. At the option of City, either: the insurer shall reduce or eliminate such deductibles or self-insurance retention as respects the City, its officers, officials, agents, employees and volunteers; or Law Firm shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses. Policies containing any self-insured (SIR) provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or the City. The City reserves the right to obtain a full certified copy of any insurance policy and endorsements. Failure to exercise this right shall not constitute a waiver of the right to exercise later.

I. GENERAL INFORMATION

A. Introduction

The City Council of the City of Clearlake (City) invites interested firms and attorneys to submit written proposals to provide City Attorney services. The City Attorney is selected by and serves at the pleasure of the City Council and works closely with the Council, City Manager and other City staff. As City Attorney, the selected law firm or attorney will be expected to provide a wide range of legal services to the City. The City is considering a contract with a five (5) year term. Upon mutual written agreement of the parties, the contract may be extended for three (3) additional two-year terms. 9. Cost of providing services.
10. Other qualifications or criteria deemed appropriate by the City Council.

**CITY OF SUISUN CITY
Request for Proposals**

CITY ATTORNEY

The City Council invites qualified firms to submit written proposals to provide legal services for the City of Suisun City. The Council is seeking an individual associated with the firm to serve as City Attorney to provide legal services to the City organization.

Suisun City operates under a council-manager form of government and serves a population of 28,000 with approximately 90 full-time staff, a volunteer fire department of upwards of 50 and various part-time and seasonal staff. We have an elected Mayor and four-member Council, as well as an elected City Clerk and City Treasurer. The City Manager and City Attorney are appointed by the Council and serve at-will.

Unique to Suisun City (aside from our volunteer fire department), is that virtually 90% of the City is in the Redevelopment Agency. Despite the challenging economic times, we have a number of economic development projects that are moving forward (i.e., a waterfront hotel, 37,000 square foot mixed-use downtown project and a contentious Wal-Mart). We have other projects that, ideally, need be reviewed and entitled so that they are positioned to proceed when the economy does turn the corner.

We have a General Fund of roughly \$11 million with a severely limited tax base (hence the importance of our economic development efforts). Seventy percent of what could reasonably be our sales tax revenue goes to the neighboring City of Fairfield, because of limited retail opportunities locally. As is true with other cities and public entities during this time of uncertainty, especially given the big unknown of how the State will be dealing with its own financial challenges, Suisun City is considering a number of creative ways to meet our service demands with reduced resources. This likewise includes how we manage our legal services.

Submittal Guidelines

Seven bound copies and one complete master of the proposal must be submitted in a sealed envelope bearing the caption: “City of Suisun City – City Attorney Proposal,” and addressed to:

City Clerk’s Office
City of Suisun City
701 Civic Center Boulevard
Suisun City, CA 94585

Proposals may be filed in person at the City Clerk’s office or by mail, but must be received in the City Clerk’s office by **5:00 p.m. on Monday, February 23, 2009**. Late proposals or postmarks will not be accepted. All proposals received will be confidential and will be retained by the City of Suisun City.

The City Council reserves the right to reject all proposals, to request additional information concerning any proposals for purposes of clarification, to accept or negotiate any modification to any proposal, following the deadline for receipt of all proposals, and to waive any irregularities, if such would serve the best interest of the City, as determined by the City Council.

All inquiries regarding this Request for Proposals and/or current legal services of the City should be directed to Suzanne Bragdon, City Manager at the above address or by telephone at (707) 421-7303.

Requested Information

PLEASE NOTE: All proposals must provide succinct answers to all questions and requests for information. Indirect, imprecise, or incomplete responses can serve only to the disadvantage of the applicant. (Submissions of individual resumes are optional and alone will not be considered responsive to any specific question.)

1. Provide a statement of philosophy regarding the practice of municipal law, and the City Attorney's relationships to the City Council, City Manager, Department Heads, commissions, committees/boards and to the City staff.
2. Please describe the qualifications of your firm for providing legal services to the City of Suisun City, including:
 - Names of partners, length of employment with the firm, years of practice and relevant municipal or other local public sector experience.
 - List of current California municipalities that your firm serves as City Attorney including dates of service.
 - List of California municipalities that your firm provided City Attorney services to over the past three years including dates of service.
3. Identify the individual who would be assigned as the City Attorney for Suisun City, and as appropriate, Deputy City Attorney (i.e., the individual to serve in the absence of the City Attorney). For each, indicate why these individuals have been selected for our team and identify their overall capabilities, qualifications, training and areas of expertise including, but not limited to:
 - Name of individual;
 - Length of employment with firm;
 - Specialization;
 - Legal training;
 - Scholastic honors and professional affiliations;
 - Date of admittance to California Bar;

- Years of practice;
 - Years and statement of other types of clientele represented;
 - Municipal or other local public sector experience;
 - Knowledge of, and experience with California Municipal Law and California Redevelopment Law;
 - Experience in the area of the Public Records Act, the Brown Act, and the Elections Code;
 - Knowledge and practice of law relating to land use, planning and California Environmental Quality Act;
 - Experience in the areas of personnel, workers' compensation, labor and employee relations;
 - Litigation experience and track record;
 - If the firm, or any of the attorneys employed by the firm, have ever had complaints filed with the State Bar, or had discipline imposed by the State Bar, please provide information on the nature of the incident, the dates on which the matter began and was concluded, and the results of the situation.
4. Identify associates that would be assigned to support the City Attorney to deal with specialized issues in the areas of:
- Personnel, labor and employee relations with an emphasis in public safety matters.
 - Redevelopment including compliance, preparation of complex disposition and development agreements, contract negotiation and preparation, and eminent domain matters, among others.
 - Any other specialized area of import from your experience.

For each of the above, indicate why these individuals have been selected for our team and identify their overall capabilities, qualifications, training and areas of expertise as outlined above in item #2.

5. Identify, operationally, how you propose to provide legal services to the City of Suisun taking into consideration:
- Standard time frames for response by the City Attorney to direction and/or inquiry from the City Council/City Manager or City staff.
 - Method for monthly reporting of status of projects, requests, and litigation.
 - Process for transmittal of requests and other material to the City Attorney.

- Format of monthly-itemized statements for all services provided organized by project and fund.

Because of budget constraints, former City Attorneys **HAVE NOT** attended City Council meetings, Planning Commission meetings or departmental staff meetings – unless a major issue was coming before the Council or Commission. Provide your thoughts on these constraints, as well as optional service considerations when providing “cost of service” information. Historically, legal services have been provided on a strictly hourly rate basis as opposed to a retainer or “flat fee for basic service” arrangement.

6. Provide information on your professional liability insurance, errors and omissions insurance, and workers compensation insurance coverage.

NOTE: Insurance coverage must be provided by an insurance company (ies) authorized to do business in the State of California. Certificates must name the City of Suisun City as an “Additional Insured” and provide that contractor’s policy is primary over any insurance carried by the City of Suisun City and that the policy will not be cancelled or materially changed without notice to the City of Suisun City in writing thirty (30) days prior.

The successful firm must agree, if awarded a contract as a result of its proposal, to indemnify and hold harmless the City of Suisun City, its officers, agents, and employees from any and all claims and losses accruing or resulting to persons engaged in the work contemplated by its proposal or to persons who may be injured or damaged by the firm or its agents in the performance of the work. Prior to commencement of any work, those and other provisions will be established contractually.

7. Provide any other relevant information to help assess the qualifications and “fit” of your firm and assigned staff to provide legal services to the City of Suisun City.

Compensation and Reimbursement

Include in the proposal compensation and reimbursement fees for services rendered, including:

1. Litigation
2. Other (specify, i.e., expenses, dues, mileage, etc.)
3. Additional or special services (define)

4. Basic legal services:

Please describe how the City Attorney and subordinates intend to provide basic legal services for the City (i.e., hourly rate schedule or flat-rate monthly retainer) and the related costs (i.e., hourly rates, estimated hours per month for estimated monthly charges and/or amount of monthly retainer).

If a retainer is proposed, indicate the services that are included within the retainer, such as:

- Review and/or preparation of staff reports, ordinances, resolutions, orders, agreements, forms, notices, declarations, certificates, deeds, leases, and other documents required by the City and Agency.
- Consultation with the City Council and City staff as needed – rendering of legal advice and opinions (both oral and written) concerning legal matters that affect the City including new legislation and court decisions.
- Research and interpret laws, court decisions and other legal authorities in order to prepare legal opinions and to advise the Council and management staff on legal matters pertaining to City operations.
- Perform legal work pertaining to property acquisition, property disposal, public improvements, public rights of way and easements, and matters relating to public utilities.
- Coordinate the work of outside legal counsel as needed and as directed by the City Council and/or City Manager.

5. Optional Services:

Recognizing that historically the City Attorney **HAS NOT** attended regular Council meetings, Planning Commission meeting or departmental staff meetings, identify optional costs for services under a retainer that address these areas including:

- Regular attendance at City Council, study sessions, closed sessions and all meetings to provide legal counsel at same. Regular Council meetings are held the first and third Tuesday evenings of each month.
- Attendance at monthly Planning Commission meetings.
- Attendance at City Commission or other meetings upon request of the Council or City Manager to provide legal advice and serve as counsel.

6. Billing of services beyond “basic” or “retainer” services:

- Please state the hourly rates for the designated City Attorney and Associates for such specialized services.

Termination of Contract

Provide proposed terms and conditions for termination of contract by either party.

Current Practices/Conflict of Interest

1. Please list any political contributions of money, in-kind services or loans made to any member of a city council within the last three years by the applicant law firm and all of its attorneys.
2. Please list all public clients for which you or your firm currently provide services, or are under retainer.
3. For the firm, and/or the proposed City Attorney, please specify current or known future professional commitments in order that the City may evaluate continuing availability for providing legal services to the City.

Professional References

Please provide three professional and three personal references for the individual proposed for appointment as the City Attorney. Include with each, the name, address, daytime telephone number and e-mail address of the reference.

For all others identified to provide specialized legal services to the City, please provide three professional references including agency, contact name, phone number, address and e-mail address.

3. Qualifications and references of the top candidates based upon proposal responses will be verified.
4. Personal interviews of the top two to four candidates will be conducted by the City Council.
5. The City will negotiate the terms and conditions of a contract with the selected party, which must then be approved by formal Council action.
6. The formal contract will be prepared by the selected City Attorney outlining duties and compensation. This contract will be entered into with the successful firm and legal services will begin when the City Council formally appoints the individual to serve as City Attorney. The appointed City Attorney is an at-will contract position and shall serve at the pleasure of the City Council. The City Attorney is under contract with the City and is not a City employee. The City Council may terminate the appointment at any time, with or without cause.

**CONTRACT SERVICES AGREEMENT FOR
CITY ATTORNEY SERVICES
CITY OF SUISUN CITY**

This CONTRACT SERVICES AGREEMENT FOR CITY ATTORNEY SERVICES (the "Agreement") is effective as of the 2ND day of JUNE, 2009 by and between the law firm of ALESHIRE & WYNDER, LLP, a California limited liability partnership ("A&W"), and the CITY OF SUISUN CITY, a municipal corporation ("City"). The term "City" shall also include the Redevelopment Agency of the City of Suisun City and the Suisun City Housing Authority, as well as all boards, commissions, financing authorities, and other bodies of City.

1. APPOINTMENT

City Council hereby appoints David J. Aleshire as the City Attorney and Agency Counsel, and hires A&W as its City Attorney and Agency General Counsel, to render such legal services as are customarily rendered by such officials and as further specified herein, including attending meetings of the City Council, Planning Commission, Redevelopment Agency, Housing Authority, and other boards and bodies of City, and its affiliated agencies, as directed by City. In addition, Dawn C. Honeywell shall serve as Assistant City Attorney and Assistant Agency General Counsel.

Notwithstanding the foregoing appointment, the designated City Attorney, Agency Counsel, and any Assistant City Attorney or Assistant Agency General Counsel, may be established from time to time or modified by resolution of the City Council. A&W represents that it employs, or will employ at its own expense, all personnel required for the satisfactory performance of any and all tasks and services set forth herein. A&W shall not replace the designated City Attorney or Agency General Counsel (or any successors to such person) without the City Council's prior approval, except from time to time necessary due to illness or vacation scheduling. Approval of any such temporary substitute, or of any Assistant City Attorney or Assistant Agency General Counsel shall be obtained from the City Manager. The City Attorney may appoint various deputies as the City Attorney deems appropriate, without the need for amendment hereof.

2. SCOPE OF WORK AND DUTIES

A. A&W shall perform any and all work necessary for the provision of City Attorney services to City, including without limitation of the following:

(i) Provide legal advice, written legal opinions, and consultation on all matters affecting City to the City Council, City Manager, boards, commissions, committees, officers, and employees of City and as requested by the City Council, the City Manager, or his/her designee, in accordance with such policies and procedures as may be established by City from time to time; and

(ii) Be available for telephone consultation with City staff, as needed on legal matters which are within their area of operation; and

(iii) Prepare or review necessary legal documents such as: ordinances, and resolutions; all agreements of any nature; all real property instruments of any nature including purchase agreements and escrows, leases, covenants, deeds, easements and licenses; bond size, amount, and offering terms and conditions; public works construction documents including bid specifications, contracts, bonds, insurance, liens and related documents; memoranda of understanding; franchise agreements; and all similar documents; and

(iv) Represent and advise City on pending and potential litigation; notwithstanding the foregoing, it is expressly understood that A&W shall not be responsible for any pending litigation matter(s) handled by attorneys previously or otherwise employed by City until all files have been transferred to A&W and A&W has specifically appeared in the matter(s) as attorneys of record on behalf of City; and

(v) Hold weekly office hours and/or weekly management staff and agenda review meetings (by Deputy Heather Kenny) at City Hall if requested by and at a time agreed to with City Manager; and

(vi) Monitor pending and current legislation and case law as appropriate; and

(vii) Supervise outside legal services, if any.

B. Attendance at City Council, Planning Commission, Housing Authority, or Redevelopment Agency meetings, as well as other board and commission meetings is not contemplated hereunder. Deputy City Attorney Kenny is frequently available for meeting attendance. Additionally, in special circumstances, the City Attorney is available for direct attendance of meetings as outlined in Exhibit "B".

C. A&W, as a full-service law firm, is prepared to, and will, provide representation to City in all of its legal affairs, including, but not limited to, municipal law, land use, environmental, toxics, mining, water, tort defense, personnel, labor representation, code enforcement, criminal prosecution, redevelopment, housing, cable television, finance, franchising, contracts, enterprise and other matters, except where conflicts exist or where the City Council may otherwise direct. The City Attorney shall represent City in all of the foregoing legal matters, and in initiating and defending all litigation unless otherwise directed by the City Council.

D. The City Attorney will keep City informed as to the progress and status of all pending matters in accordance with such procedures as City may establish from time to time. The City Attorney is expected to manage, control and oversee the delivery of legal services in a competent, professional, and cost-effective manner. All legal services shall be properly supervised and all personnel shall be qualified to handle the work assigned. If outside special counsel is retained, unless otherwise directed by the City Council, such special counsel shall be supervised by the City Attorney.

E. All legal services shall be coordinated under the direction of the City Manager. Notwithstanding any other provision contained herein, any legal services can only be authorized by the City Council or City Manager. Nothing in this Agreement shall be construed in any

manner as limiting the ultimate and absolute discretion of the City Council, at any time, to assign or reassign legal matter of City from or to A&W.

3. CITY DUTIES

City agrees to provide such information, assistance, cooperation, and access to books, records, and other information, as is necessary for A&W to effectively render its professional services under this Agreement. To the extent City desires services to be rendered on site, City, at City's expense, will make available sufficient office space, furniture, telephones, computers, facsimile machines, and secretarial support, as approved by the City Manager, as may be necessary therefor. City further agrees to abide by this Agreement, and to timely pay A&W's bills for fees, costs, and expenses. In addition, City understands that the fee structure herein represents a blending of rates, with certain services offered at discounted rates, on the assumption that, due to the volume of work, other services will be rendered at higher rates. Therefore, insofar as possible and unless A&W lacks the experience, capability or resources, it is the intent of the parties hereto that all matters of City requiring the rendition of legal services shall be performed by A&W. However, nothing in this Section, or any other part of this Agreement, shall be construed in any manner as limiting the ultimate and absolute discretion of the City Council, at any time, to assign or reassign legal matters of City from or to A&W.

4. PERSONNEL

In addition to David J. Aleshire acting as the City Attorney, A&W will provide the following additional attorneys to render predominately the legal services hereunder:

Dawn C. Honeywell:	Assistant City Attorney/General, Planning, Land Use, Redevelopment
Heather Kenny:	Deputy City Attorney/General
Colin Tanner:	Deputy City Attorney/Personnel
Glen Tucker:	Deputy City Attorney/Police and Defense
Anthony Taylor:	Deputy City Attorney/Litigation
Anita Luck:	Deputy City Attorney /Public Finance

Assignments may be modified as provided in Section 1 above and, except as so provided, A&W will exercise its discretion to utilize whichever attorney(s) (and staff) it determines to be best suited to its rendition of legal services under this Agreement, consistent with the competent and efficient rendering of legal services, and with a view toward rendering such services in an economically efficient manner.

5. COMPENSATION

A&W's fees will be charged on an hourly basis for all time actually expended. The compensation schedules are set forth in Exhibits "A" and "B" attached hereto and incorporated herein by this reference. Blended rates are computed based upon the hours of service irrespective of the rate of the attorney. Blended rates are also shown for legal assistants.

In general, the arrangement is that there is a base amount of hours which are significantly discounted and referred to as the general retainer hours. This includes general services, attending

public meetings, preparing ordinances and resolutions, giving general advice to City departments and similar services. A higher blended rate is charged after the retainer hours are exceeded. Special services, including a broad range of categories (litigation, personnel, labor, redevelopment, housing, toxics, refuse, cable, enterprise, etc.), which would otherwise be likely to be contracted out as special services at higher rates, are billed at a higher blended rate. Public finance matters are charged on a contingent basis based upon the size of the matter.

With respect to "general counsel" or "basic" legal services, we propose discounting the first 50 hours per month of legal services by charging a blended rate of \$150 per hour for such services, which means the hourly rate would be the same irrespective of which attorney is performing the services. For hours of general legal services rendered above 50 hours per month, we would bill City at the blended rate of \$160 per hour.

However in the first year of the Agreement, the change in the rate would occur at the 80 hour mark and in the second year after the first 60 hours. The reason for this is that our experience is that the hour commitments are higher in the first year, as we deal with trying to standardize practices and fixing issues which have been over looked. By giving higher hour discounts, we hope to keep costs down as we become familiar with the client.

The foregoing arrangement would remain in effect for at least Fiscal Years 2008-2009 through and 2010-2011 (June 30, 2011). However, the hourly rates of the attorneys at A&W are reviewed annually and, when appropriate, adjusted to reflect increases in expertise, as well as other appropriate factors. Such increases are made on an annual basis, effective as of the beginning of each calendar year. While the hourly rates for services rendered by individual A&W attorneys may be adjusted as set forth herein, the "blended rates" established in this Agreement shall not be adjusted except as provided here, and only upon the approval of the City Council.

In the event of a conflict, the terms of Exhibit A shall prevail.

6. BOND OR FINANCIAL SERVICES

Bond or Financial Services shall mean those situations where A&W acts as Bond Counsel for City with regard to the issuance of securities by City; after review and accord of the proposed issue by independent review Counsel if selected by City, A&W shall be compensated for Bond or Financial Services on a flat fee non-contingent basis of Three Hundred Fifty Dollars (\$350) per hour or on a contingent finance option as shown on Exhibit "A". The choice of options shall be solely at the choice of City.

7. COSTS AND OTHER CHARGES

A&W may incur various costs and expenses in rendering the legal services required by this Agreement which, if customary and necessary for the performance of legal services hereunder, shall be reimbursable by City. These costs and expenses are described in more detail in Exhibit "B". City agrees to reimburse A&W for these costs and expenses in addition to the hourly fees for legal services. Reimbursable costs shall not include any overhead or administrative charge by A&W or A&W's cost of equipment or supplies except as provided herein.

A&W may determine it necessary or appropriate to use one or more outside investigators, consultants, or experts in rendering the legal services required (particularly if a matter goes into litigation). City will be responsible for paying such fees and charges. A&W will not, however, retain the services of any outside investigators, consultants, or experts without the prior agreement of City. A&W will select any investigators, consultants, or experts to be hired only after consultation with City.

The costs and expenses referred to herein include certain travel expenses (transportation, meals, and lodging) when incurred on behalf of the client. Generally, except in connection with litigation (travel costs to court and for discovery are chargeable), these will only be charged when outside of the area, and only with the prior agreement of City.

Finally, periodically, when on-site, A&W personnel may be required to make local and long-distance telephone calls, or make photocopies, or incur other expenses on behalf of City, as well as other clients. A&W will not be charged for such expenses and, in exchange, will not charge City for calls made from our office or other locations to City.

In the event of a conflict, the terms of Exhibit B shall prevail.

8. STATEMENTS AND PAYMENT

A&W shall render to City a statement for fees, costs, and expenses incurred on a periodic basis (generally monthly). Such statement(s) shall indicate the basis of the fees, including the hours worked, the hourly rate(s), and a brief description of the work performed. Separate billing categories can be established to track costs associated with City funding categories or to track project costs, or such other basis as City may direct. Reimbursable costs shall be separately itemized.

Payments shall be made by City within thirty (30) days of receipt of the statement, except for those specific items on an invoice which are contested or questioned and are returned by City with a written explanation of the question or contest, within thirty (30) days of receipt of the invoice. Payments made more than thirty (30) days after the due date shall draw interest thereon at the rate of ten percent (10%) per annum.

9. PROHIBITION AGAINST SUBCONTRACTING OR ASSIGNMENT

The experience, knowledge, capability and reputation of A&W, its partners, associates, and employees, was a substantial inducement for City to enter into this Agreement. Therefore, A&W shall not contract with any other person or entity to perform, in whole or in part, the legal services required under this Agreement without the written approval of City. In addition, neither this Agreement, nor any interest herein, may be transferred, assigned, conveyed, hypothecated, or encumbered voluntarily, or by operation of law, whether for the benefit of creditors, or otherwise, without the prior written approval of City. Adding attorneys to A&W, changes in the partnership, name changes and similar changes shall not be deemed a transfer or assignment requiring approval of City or amendment hereof.

10. INDEPENDENT CONTRACTOR

A&W shall perform all legal services required under this Agreement as an independent contractor of City, and shall remain, at all times as to City, a wholly independent contractor with only such obligations as are required under this Agreement. Neither City, nor any of its employees, shall have any control over the manner, mode, or means by which A&W, its agents or employees, render the legal services required under this Agreement, except as otherwise set forth. City shall have no voice in the selection, discharge, supervision or control of A&W employees, servants, representatives, or agents, or in fixing their number, compensation, or hours of service.

11. INSURANCE

A&W shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement, including any extension thereof, the following policies of insurance:

(a) **Comprehensive General Liability Insurance.** A policy of comprehensive general liability insurance written on a per occurrence basis in an amount not less than a combined single limit of One Million Dollars (\$1,000,000.00), and One Million Dollars (\$1,000,000.00) products and completed operations.

(b) **Workers' Compensation Insurance.** A policy of workers' compensation insurance in such amount as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for both A&W and City against any loss, claim or damage arising from any injuries or occupational diseases occurring to any worker employed by or any persons retained by the Contractor in the course of carrying out the work or services contemplated in this Agreement.

(c) **Automobile Insurance.** A policy of comprehensive automobile liability insurance written on a per occurrence basis in an amount not less than a combined single limit liability of One Million Dollars (\$1,000,000.00). Said policy shall include coverage for owner, non-owner, leased and hired cars.

(d) **Errors and Omissions Insurance.** A policy of professional liability insurance written on a claims-made basis in an amount not less than Three Million Dollars (\$3,000,000.00).

Except for the policy of professional liability insurance, all of the above policies of insurance shall be primary insurance and shall name City, its officers, employers and agents as additionally insured. Except for the policy of professional liability insurance, the insurer shall waive all rights of subrogation and contribution it may have against City, its officers, employees and agents and their respective insurers. Except for the policy of professional liability insurance, all of said policies of insurance shall provide that said insurance may not be amended or canceled without providing thirty (30) days prior written notice by registered mail to City. In the event any of said policies of insurance are cancelled, the attorney shall, prior to the cancellation date, submit new evidence of insurance in conformance with this Section to City. Failure to do so is cause for termination.

12. INDEMNIFICATION

A. A&W agrees to indemnify City, its officers, employees and agents against, and will hold and save each of them harmless from, any and all actions, suits, claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities (herein "claims or liabilities") that may be asserted or claimed by any person, firm or entity arising out of or in connection with the work, operations or activities of A&W, its agents, employees, subcontractors, or invitees, provided for herein or arising from the acts or omissions of A&W hereunder, or arising from A&W's performance of or failure to perform any term, provision, covenant or condition of this Agreement, except to the extent such claims or liabilities arise from the negligence or willful misconduct of City, its officers, agents or employees.

B. City acknowledges that A&W is being appointed as the City Attorney pursuant to the authority of Government Code Section 36505, and has the authority of that office. Accordingly, City is responsible pursuant to Government Code Section 825 for providing a defense for the City Attorney for actions within the scope of its engagement hereunder. Therefore, City agrees to undertake its statutory duty and indemnify A&W, its officers, employees and agents against and will hold and save each of them harmless from, any and all actions, suits, claims, damages to persons or property, losses, costs penalties, obligations, errors, omissions or liabilities (herein "claims or liabilities") that may be asserted or claims by any person, firm or entity arising out of or in connection with the work, operations or activities of A&W within the course and scope of its employment hereunder, but nothing herein shall require City to indemnify A&W for liability arising from its own negligence. In connection herewith:

(i) City will promptly provide a defense and pay any judgment rendered against City, its officers, agency or employees for any such claims or liabilities arising out of or in connection with such work, operations or activities of City hereunder;

(ii) In the event A&W, its officers, agents or employees is made a party to any action or proceeding filed or prosecuted against City for such damages or other claims solely arising out of or in connection with the work operation or activities of City hereunder, City agrees to pay to A&W, its officers, agents or employees any and all costs and expenses incurred by attorney, its officers, agents or employees in such action or proceeding, including but not limited to, legal costs and attorneys' fees.

EXHIBIT "A"
FEE ARRANGEMENT

- (1) The payment for up to fifty (50) hours of general legal service (Monthly Hour Limit) shall be a maximum of Seven Thousand Five Hundred Dollars (\$7,500) per month (billed at One Hundred Fifty Dollars (\$150) per hour). Notwithstanding the foregoing, in view of the likelihood for the need to ramp up services, until January 1, 2010, the discounted rate shall apply to 80 hours of legal services, and until January 1, 2011, it shall apply to 60 hours of legal services. (Rates increase by \$10 per hour on January 1, 2011).
- (2) General legal services over the Monthly Hour Limit will be billed at the rate of One Hundred Sixty Dollars (\$160) per hour. (Rates increase by \$10 per hour on January 1, 2011)
- (3) Special legal services include litigation matters, public finance, disciplinary actions or hearings, labor negotiations, redevelopment, housing, cable television, water, toxics, refuse, franchising, enterprise activities and any major contract negotiation involving more than 10 hours (with City Manager approval). Except for insurance defense, code enforcement, and public finance, all such matters shall be billed at the rate of Two Hundred Dollars (\$200) per hour. (Rates increase by \$10 per hour on January 1, 2011).
- (4) Insurance defense litigation and code enforcement will be billed at a reduced rate of One Hundred Eighty Five Dollars (\$185) per hour.
- (5) Where there is an opportunity to obtain cost recovery through a private party such as a developer, the hourly rate will be Two Hundred Fifty Dollars (\$250) per hour.
- (6) For public finance the fee structure shall be as follows: (i) For land based issues (i.e. CFD, Assessment or Improvement Districts) one and one-half (1 ½) percent of the first \$1 million executed and delivered; three-quarters percent of the next \$4 million executed and delivered; one-third percent of the next \$10 million; one-eighth percent of the next \$10 million; and one-tenth percent of any amount over \$25 million; subject to a minimum fee of Forty Thousand Dollars (\$40,000); or (ii) For all other financings the above schedule applies with a 25% discount. In the event that multiple series of bonds or notes are issued, the foregoing fee schedule would be applied to each issue. Fees shall be contingent unless otherwise directed by the client. If contingent, payment of the fees is entirely contingent upon the successful execution and delivery of the bonds or notes to be payable on or after delivery except for out-of-pocket expenses. In addition to the foregoing, a fee of \$6,000 may be charged if a tax opinion is required. At the discretion of City, City may choose a non-contingent structure in lieu of the above schedule at the rate of \$350 per hour on a blended rate for all attorney time incurred.
- (7) In addition to the foregoing, the Firm would be reimbursed for out-of-pocket expenses including telecopier, messenger, courier, and other communication costs; reproduction expense; computer research services; court reporters; mileage cost to court and administrative proceedings; travel expenses outside of Riverside and Orange Counties; and other costs and expenses incurred on your behalf. Notwithstanding the foregoing, we do not charge for word processing, routine computer-assisted legal research, local calls or mileage to City Hall or City offices. In exchange, when on-site, we would have the ability to use City copiers and telephones without charge. See modifications on Exhibit B.
- (8) The blended rate for legal assistants (Paralegal), irrespective of matter, shall be One Hundred Dollars (\$100) per hour, and for document clerks shall be Fifty Dollars (\$50) per hour.

The foregoing fee arrangement would remain in effect until July 1, 2011, and thereafter until adjusted.

EXHIBIT "B"
STATEMENT OF FEE ARRANGEMENT

The Firm's fees are charged on an hourly basis for all time actually expended and are generally billed monthly with payment due within thirty (30) days after the date of the bill. However, where contract rates are established, they prevail over design rates. The current hourly design rate for the attorneys and staff working on this matter will be set forth in the billing statement. Annually, you will be provided with the prevailing hourly design rates for the attorneys who will spend the predominate amount of time on this matter. It should be understood that hourly rates are reviewed, and when appropriate, adjusted to reflect increases in seniority and experience, as well as inflationary factors. These increases are generally made on an annual basis effective at the beginning of each calendar year.

The Firm will incur various costs and expenses in performing legal services. These costs and expenses are separately billed to the client and include fees fixed by law or assessed by public agencies, litigation costs including deposition, reporter fees, and transcript fees, long distance telephone calls, messenger and other delivery fees, postage, photocopying (charge of twenty cents (\$0.20) per page) and other reproduction costs, staff overtime when necessitated and authorized by the client, and computer-assisted research fees when authorized by the client, all based on the actual and reasonable cost (mileage, reproduction and other costs are periodically adjusted in accordance with the Firm's actual costs).

Travel costs including mileage (current IRS rate), parking, airfare, lodging, meals, and incidentals are charged in connection with administrative or judicial proceedings, or when traveling outside of Los Angeles, Riverside, San Bernardino or Orange Counties. Travel time may also be charged in connection with such proceedings.* In addition, the client will be responsible for paying the fees of consultants and other outside experts who are retained after consultation with the client.

It is understood that Firm will generally not charge for local telephone calls or calls made to City. In exchange, Firm shall not be charged for calls made or received when at City, whether local or long-distance, or for copying charges since copying onsite will reduce the charge to the client.

The monthly billing statements for fees and costs shall indicate the basis of the fees, including a detailed and auditable breakdown of the hours worked, the billable rates charged and description of the work performed. All bills are expected to be paid within thirty (30) days of the date of the billing statement. In the event any statement remains unpaid for more than thirty (30) days after the date of the statement, interest thereon at the rate of ten percent (10%) per annum shall be due and payable thereafter on the unpaid balance.

Registration fees for attorneys attending conferences and seminars are paid by the Firm and are never charged to City (unless attendance is expressly requested by City).

City Attorney Options Discussion and Direction

1

City Attorney Responsibilities

- Legal advice
- Drafting and reviewing documents
- Litigation
- Code Enforcement
- Land Use and Zoning
- Criminal procedure Law
- Public meetings
- Employment Law
- Public records and open government
- Ethics/Conflicts of interest
- Legislation

2

2018 Solano County Grand Jury Report

- Identified City Attorney models that cities use
- Provided some pros and cons for each model
- Identified costs for City Attorney services for each city
- Identified that each model has its own merits and drawbacks

3

3

Three City Attorney Options

1. Have a contracted City Attorney (current model)
2. Have a fully In-House City Attorney's Office staffed by city employees
3. Have a combination (Hybrid model) of In-House Attorney's Office for day to day with contract for specialized legal services and litigation

4

4

Contract City Attorney Pros

- Offers third party perspective and impartiality
- Has access to expertise and knowledge of other municipalities, histories and responses
- Skilled in or has access to specialty areas such as water rights, land use, regulatory issues, and California Environmental Quality Act
- Can be cost effective as only services rendered are chargeable
- Clinical approach to risk management
- Is skilled at providing immediate cost effective answers
- As a consultant there are no employee benefits and terminating a contract usually involves no monetary penalties
- No additional overhead costs for office space or supplies
- Likely to be less expensive than In-House City Attorney

5

5

Contract City Attorney Cons

- Every interaction is billable
- Higher variable costs, so the greater use of the attorney equates to higher monthly bills
- Attorney may or may not be local
- Cannot just walk over to talk to attorney
- Attorney may represent one or more other cities and may not be immediately available
- Less control over the assigned attorney

6

6

In-House City Attorney Pros

- Provides institutional knowledge, accessibility and continuity
- Has an intimate and expanding knowledge of the city, its employees and citizens/public
- Is readily accessible with no thought of an hourly fee
- Contributes leadership skills
- Can help the organization develop and manage future risk
- Has a unique opportunity to build community trust
- As a municipal employee has a set hour work day schedule which provides the budget with a fixed cost associated with salary and benefits

7

7

In-House City Attorney Cons

- Much more difficult and costly to change attorneys
- High fixed costs restricts ability of city to cut costs by reducing use of attorneys
- City likely to need more staff than just one attorney
- In-house attorney will likely need a law library of some sort
- Currently no space at City Hall for a City Attorney's Office and staff without displacing another department
- In an increasingly complicated legal environment, a generalist has limits in specialty areas of the law, so City will still likely need to contract for specialized legal services and litigation at an unknown cost
- Potential lack of attorney services when employee is sick or on vacation, depending upon the number of attorneys or ability to use contract law firm
- Likely to be more expensive than outsourcing
